"If I could write a report like this I wouldn't be an Assistant City Solicitor at \$4400 a year," Mr. Rosenbaum

there is considerable bootlegging at Lansdale and that the Ku Klux message was a threat and not a joke. In the last months there have been a number of K. K. demonstrations in vaber of K. K. demonstrations in various sections of Montgomery County.
The affair is a mystery. The point at Memorial Park where the cross was planted is just beyond the borough limits and the spot is dark. The cross was seven feet tall and carefully was seven feet tall and carefully wrapped in rags that were saturated

Police Hunt Two Boys I wouldn't be an Assistant City Solicitor at \$4400 a year," Mr. Rosenbaum commented.

The valuation ultimately fixed by the Public Service Commission will be a factor in determining a permanent rate of trolley fare for this city.

Police of the Peach and Media streets station are searching for two boys who disappeared from their homes last Sunday. They are Thomas Beorio, nine years old, of 875 June street, and Norman Simpkins, eleven years old, of 876 June street.

ANXIETY LESS**ens** Latest Bulletin Gives More Encouraging Report at White House

OPERATION DECLARED UNNECESSARY AT PRESENT

Cabinet Session Called Off So That President May

Washington, Sept. 12.-The crists n Mrs. Harding's condition "seems to have been passed," an official bulletin issued by attending physicians at 9:35 . M. today, said.

The text of the bulletin, signed by Brigadier General C. E. Sawyer, White House physician, follows:

"Mrs. Harding's condition, 8 A. M. Temperature, 98.8; pulse, 94; respiration, 32. Early part of night, restless. Latter part, comfortable. General appearances improved. Enlargement due to nephrosis decreasing. Laboratory

findings favorable. Crisis seems to have been passed. Surgical procedure deemed unnecessary for the present."

The bulletin was described by members of the executive household as "the best news" that has come from the bedside of the patient since her condition pecame critical last week. It showed a drop of 1.2 degrees in temperature from last night and the nearest approach to normal in temperature since she became

normal in temperature since she became seriously ill. Both pulse and respiration this morning were slightly above last night's readings, but the physicians in attendance have emphasized these might be expected to vary.

Immediately after the morning bulletin was issued there was noticeable a decided lessening of the tension which has existed at the White House and in official circles close to the President and Mrs. Harding.

The Cabinet session today, however.

The Cabinet session today, however, was called off as well as the President's semi-weekly meeting with newspaper men. This action was taken, it was explained, to permit the President to remain near Mrs. Harding and to conerve his strength.

Continued improvement, with only alight probability that it would be necessary to operate, was the word that came today from the sick bed of Mrs. Harding.

Give Optimistic Reports Early visitors to the White House

were given optimistic reports as to the condition of the President's wife.

Secretary Weeks said Mrs. Harding's condition during the night and early today was a marked improvement over the latter part of last week and a steady improvement over yesterday. It was he who on leaving the White was not expected that an operation

would be necessary.
Senators Kellogs, of Minnesota, and
Hale, of Maine, who also called early in the day, received reports as to the patient's condition which they described

as most favorable. The symptom of increased elimina-The symptom of increased elimination of wastes through the kidneys noted in last night's bulletin was the indication of improvement to which attending physicians attached the greatest hope, it had been explained by General Sawyer in discussing the case with newspaper men late in the afternoon. It had given the doctors, he said, a sense of relief they had not felt heretofore.

Although an increase of one-half of

Although an increase of one-half of one degree in the patient's temperature from that recorded yesterday morning was shown in the night bulletin, at which time it was 100, a pulse regis-try of 90 showed a decrease of six IS REPORTED STOLEN TILTS BETWEEN EXPERTS ANOTHER IN LANSDALE PARK points since morning and of 20 points since Sunday night, while respiration had decreased two points since morn-

ing to 28, being nearly normal.
